

Twin Cities In Motion (TCM) is asked to support hundreds of worthwhile charitable causes and events each year. We make every effort to accommodate as many requests as possible. However, due to the increase in the number of requests we are now receiving each year we are simply unable to accommodate all the requests we receive. To be considered for a donation, your organization must:

1. Be located within the 7 County Twin Cities Metro area
2. Have not already received a donation for the current calendar year from Twin Cities In Motion (an organization is eligible to receive only one donation per year)
3. Request the donation at least 4 weeks prior to the day your organization needs the donation
4. Have a 501(c)3 tax exempt designation or be a public or private school
5. Have a mission statement
6. Be seeking donations for fundraising purposes only – a raffle or live or silent auction. The TCM donation program exists to aid non-profit organizations in raising funds through the sale of donated items at a fundraising event

TCM gives priority to programs that promote healthy living, particularly programs that educate children to help them to lead healthier lives through nutrition and/or physical activity.

Requests related to the following are INELIGIBLE to receive donations:

- Awards, prizes and incentive programs (for profit)
- Requests for operating expenses and other monetary donations
- Individuals or individual pursuits, fraternal, veteran, labor or political groups
- 3rd party fundraising (walks/runs/fundraising teams, etc.) or capital campaigns

Please note: If your group does not fit the criteria and you would like to still be considered for a one-time gift, you may submit a request including a Statement of Need along with your application. We reserve the right to approve or deny the request.

Please fill out and return the attached form to:
