Non-Resident	\$323.34	\$282.92	\$242.50	\$202.08	\$161.67	\$121.25

* Prorated amounts include local and national dues rates. New members joining at this time only pay for the remaining months in the membership year which runs October thru September. For example, if joining in January, the dues amount under the January column should be used which is calculated to cover the remaining eight months of the current membership year: February through September.
