The Society is home to credentialed professionals who serve the public by providing financial, legal, and tax planning services. Nationally, the Society represents more than 11,000 members nationwide. The Twin Cities Chapter, established in 1934, serves over 180 members as their source for professional development and networking.

The Chapter conducts monthly Continuing Education programs with attendance averaging 70 members. We also host a website and communicate with our members weekly.

**As a Chapter Sponsor, you are welcome to participate in all of these to reach our members with your corporate message.**
